

EAX1X1

Full-Motion Tilting Wall Mount

For 10" to 32" TVs

Ready to save time, money and stress? Check out the EquaMount™ Full-Motion Tilting Wall Mount. The EAX1X1 holds 10"- 32" TVs weighing up to 33lb and is delivered right to your door with all the necessary wall and TV attachment hardware included. It's a simple, one-person installation and, bonus, you don't have to worry about those messy cables because we've taken care of all of that with our cable management system. After you've installed the TV, sit back and relax. Or, if you want to change it up this mount allows you to easily rotate your TV left and right so you always have the perfect view. What more could you ask for?
